On the basis of the referenced test report(s), sample(s) tested of the above product have been found to comply with the standards harmonized with Electromagnetic Compatibility Regulations 2016(SI 2016 No. 1091) at the time the tests were carried out. Other standards and Regulations may be relevant to the product. This verification is part of the full test report(s) and should be read in conjunction with it <them>.

Once compliance with all product relevant <sup>UK</sup>CA mark regulations are verified, including any relevant e.g. risk assessment and production control, the manufacturer may indicate compliance by signing a UK Declaration of Conformity themselves and applying the mark to products identical to the tested sample(s).
